

# BLACKJACK 2 CONVERTIBLE

## TR90

Turn heads with this classic piece of eyewear. The rugged looking Blackjack 2 is a must for riders. Its black, sleek and lightweight frame make it perfect for all occasions. The temples release for easy conversion from a sunglass to a goggle and back again. The 2 sets of removable foam (open & closed cell) increases comfort, while sealing out wind and dust. The Blackjack 2 comes with 3 sets of polycarbonate lenses (anti-fog smoked, clear and amber), so you can interchange them according to light conditions. All lenses are shatter resistant, polycarbonate and are Z80.3 approved.
