

# INVADER PHOTOCHROMIC

## TR90

## PHOTOCHROMIC

Ignite sparks with these glasses that are ideal for the practical yet style conscience person. The wrap around frame is made of flexible, durable Grilamid TR90 and the open cell foam keep the wind and debris out of your eyes. Continue wearing this piece of eyewear from day into night due to the photochromic lenses, which adjusts to UV light. The lenses are shatter-resistant polycarbonate and optically correct, which eliminates eye fatigue.
