

ROAD HOG

The Road Hog defines convenience with the patented Quick Release System(QRS). This technology offers ultra-quick conversion from goggles to sunglasses, and back. The removable closed-cell memory foam liner allows for maximum comfort and protection against wind & dust. The shatter-resistant polycarbonate lenses provide 100% protection from UVA and UVB rays. Comes with a cleaning cloth, removable adjustable goggle strap, sunglass temples, closed-cell foam liner, 3 lenses; anti-fog smoked, amber and clear, & carry pouch.
