

GXR001

GXR001A

GXR001C

Get Aggressive with this rugged sunglass that is convenient and durable enough for any sport adventurer. This lightweight, streamlined sunglass with a detachable, adjustable strap creates a snug and comfortable fit, offering multiple eyewear options. The black polycarbonate frame is available with your choice of the anti-fog smoked, amber or clear lens, each providing 100% UVA/ UVB protection. Closed cell foam is featured around each lens to create a personalized, molded fit which buffers against any weather conditions such as wind, snow or sleet.
